

the general public. General License No. 8 authorized transactions in connection with the exportation of agricultural commodities pursuant to pre-May 7 trade contracts provided that the terms of such contract require delivery of the commodity prior to February 2, 1996. General License No. 9 authorized import, export, and service transactions necessary to the conduct of official business by the missions of the Government of Iran to international organizations and the Iranian Interests Section of the Embassy of Pakistan in the United States. General License No. 10 provided a statement of licensing policy with respect to transactions incident to the resolution of disputes between the United States or U.S. nationals and the Government of Iran in international tribunals and domestic courts in the United States and abroad. General License No. 11 authorized the exportation of household goods and personal effects for persons departing from the United States to relocate in Iran. General License No. 12 authorized the provision of certain legal services to the Government of Iran or to a person in Iran and the receipt of payment therefor under certain circumstances.

General Notice No. 1 described information required in connection with an application for a specific license to complete the performance of pre-May 7 trade contracts prior to August 6, 1995 (except with respect to agricultural commodities as provided by General License No. 8). General Notice No. 2 indicated that the Department of the Treasury had authorized the U.S. agencies of Iranian banks to complete, through December 29, 1995, transactions for U.S. exporters involving letters of credit, which they issued, confirmed, or advised prior to June 6, 1995, provided that the underlying export was completed in accordance with the terms of General License No. 1 or a specific license issued to the exporter by FAC. General Notice No. 2 also noted that the U.S. agencies of the Iranian banks were authorized to offer discounted advance payments on deferred payment letters of credit, which they issued, confirmed, or advised, provided that the same criteria are met.

3. The Iranian Transactions Regulations, 31 CFR Part 560 (the "ITR"), have been comprehensively amended to implement the provisions of Executive Orders No. 12957 and No. 12959. The amended ITR were issued by FAC on September 11, 1995 (60 Fed. Reg. 47061-74) and incorporate, with some modifications, the General Licenses cited above. A copy of the amended regulations is attached to this report.

4. In consultation with the Department of State, FAC reviewed applications for specific licenses to permit continued performance of trade contracts entered into prior to May 7, 1995. It issued more than 100 such licenses allowing performance to continue up to August 6, 1995.

5. The expenses incurred by the Federal Government in the 6-month period

from March 15 through September 14, 1995, that are directly attributable to the exercise of powers and authorities conferred by the declaration of a national emergency with respect to Iran are approximately \$875,000, most of which represents wage and salary costs for Federal personnel. Personnel costs were largely centered in the Department of the Treasury (particularly in the Office of Foreign Assets Control, the Customs Service, the Office of the Under Secretary for Enforcement, and the Office of the General Counsel), the Department of State (particularly the Bureau of Economic and Business Affairs, the Bureau of Near Eastern Affairs, the Bureau of Politico-Military Affairs, and the Office of the Legal Adviser), and the Department of Commerce (the Bureau of Export Administration and the General Counsel's Office).

6. The situation reviewed above continues to involve important diplomatic, financial, and legal interests of the United States and its nationals and presents an extraordinary and unusual threat to the national security, foreign policy, and economy of the United States. The declaration of the national emergency with respect to Iran contained in Executive Order No. 12957 and the comprehensive economic sanctions imposed by Executive Order No. 12959 underscore the United States Government's opposition to the actions and policies of the Government of Iran, particularly its support of international terrorism and its efforts to acquire weapons of mass destruction and the means to deliver them. The Iranian Transactions Regulations issued pursuant to Executive Orders No. 12957 and No. 12959 continue to advance important objectives in promoting the non-proliferation and antiterrorism policies of the United States. I shall exercise the powers at my disposal to deal with these problems and will report periodically to the Congress on significant developments.

REPORT ON THE NATIONAL EMERGENCY WITH UNITA—MESSAGE FROM THE PRESIDENT—PM 82

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs.

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this pro-

vision, I have sent the enclosed notice, stating that the emergency declared with respect to the National Union for the Total In dependence of Angola ("UNITA") is to continue in effect beyond September 26, 1995, to the Federal Register for publication.

The circumstances that led to the declaration on September 26, 1993, of a national emergency have not been resolved. United Nations Security Council Resolution 864 (1993) continues to oblige all Member States to maintain sanctions. Discontinuation of the sanctions would have a prejudicial effect on the Angolan peace process. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to apply economic pressure to UNITA.

WILLIAM J. CLINTON.
